**(Short Version)**

**Cecil Ouellette  
Teresa Vu**

## **REFRAIN:**

**O it's a long, long way to go,  
When we live on conversion road;  
A long, long way to go to save our soul,  
While this life we live longs to live  
On Glory Road.**

## **VERSE 1:**

**The call of Christ is calling all to conversion:  
To return to God and come back to creation.  
Calling us to be born again and follow him,  
To behold new life unfold on conversion road.**

**VERSE 2:**

**New birth on earth is born again from above,  
By converting to Christ with faith, hope, and love.  
Creation that unfolds with the blessings we behold,  
Can never be bought or sold on conversion road.**

**VERSE 3:**

**Christ is calling us to choose life over death,  
By changing our ways before our last breath.  
Blessed with God's grace, forgiveness, and faith,  
We behold the Light of Life on conversion road.**
