

**WE ARE NOTHING**  
**WITHOUT LOVE**

*TERESA VU*  
*CECIL OUELLETTE*

**VERSE 1:**

**It's now or never,  
Life or death, live or die, it's now and forever:  
To forsake and set aside the "old ways" of life;  
To be born again and begin anew with Christ;  
Or forget our soul, until the bells forever toll!  
It's now or never, to live or not to live for God,  
It's now and forever.**

**REFRAIN:**

**We are nothing, nothing without love,  
Nothing without the blessings from above.  
O we are nothing, when lost and so alone,  
Nothing without God's love to lead us home.**

## **VERSE 2:**

**It's now or never,  
Born again without sin, it's now and forever:  
To be born of the spirit before our last breath;  
To rise with Christ out of the darkness and death;  
To live in holiness with the light of righteousness.  
It's now or never, believe or not believe in God,  
It's now and forever.**

## **VERSE 3:**

**The call to live on,  
God is love, love is God, calls to all the fallen.  
For God's grace saves those, who follow Christ;  
Who change and give-up the godless ways of life:  
Who become the forgiven on the way to heaven.  
It's now or never, the kingdom of God is there,  
Where life lives forever.**
